

FOREWORD

This service manual has been prepared to provide information covering the wiring diagrams and connector terminal arrangement diagrams for various electric systems mounted on the model M300 series manufactured in November 2004 afterward.

All information used in this service manual was in effect at time when the manual was printed. However, the specifications and procedures may be revised owing to continuing improvements in design without advance notice and without incurring any obligation to us.

Published in November, 2004
